Etape 3 : Soulignez le sujet

Etape 4 : Entourez l'auxiliaire

Etape 4 : Que constatez-vous sur la structure ?

READ

Native Americans lived throughout North and South America. In the United States, there were Native Americans in Alaska, Hawaii, and the mainland of the United States. Different tribes and cultures lived in different areas. There were hundreds of tribes throughout the United States when Columbus first arrived in 1492. Sometimes these peoples are referred to as Indians or American Indians. This is because when Columbus had first landed in America, he thought he had sailed all the way to India.
